The Speaker then laid House Bill No. 229 before the House on its third reading and final passage.

The bill was read third time, and was passed.

HOUSE BILL NO. 320 ON SECOND READING

The Speaker laid before the House, on its second reading and passage to engrossment,

H. B. No. 320, A bill to be entitled "An Act to validate the organization and creation of all school districts, including common school districts, independent school districts, common consolidated school districts, consolidated independent school districts, county line school districts, and rural high school districts, whether created by general or special law or by county boards of trustees, etc., and declaring an emergency."

The bill was read second time.

Mr. Lemens offered the following committee amendment to the bill:

Amend House Bill No. 320 by striking out all below the enacting clause and substitute in lieu thereof the following:

"Section 1. All school districts, including common school districts, independent school districts, consolidated common school districts, county line school districts, and rural high school districts, whether created by general or special law in this State, and heretofore laid out and established or attempted to be established by the proper officers of any county or by the Legislature of the State of Texas, and heretofore recognized by either State or county authorities as school districts, are hereby validated in all respects as though they had been duly and legally established in the first instance. All acts of the board or boards of trustees in such districts ordering an election or elections, declaring the results of such elections, and levying taxes therefor,

and all bonds issued and now outstanding, and all bonds heretofore voted but not yet issued, are hereby in all things validated. The fact that by inadvertence or oversight any act of the officers of any county in the creation of any district was omitted shall in nowise invalidate such district, and the fact that by inadvertence or oversight any act was omitted by the board of trustees of any such district in ordering an election or elections, or in declaring the results thereof, or in levying the taxes for such district, or in the issuance of the bonds of any such district, shall in nowise invalidate any of such proceedings or any bonds so issued by such districts.

"All acts of the county boards of trustees of any and all counties in rearranging, changing, or subdividing such school districts or increasing or decreasing the area thereof, in any school district of any kind, or in creating new districts out of parts of existing districts or otherwise, are hereby in all things validated.

"Sec. 2. This law shall not apply to any district, the organization or creation of which is now involved in litigation. Provided further, that this Act shall not apply to any district which may have been established or consolidated and which has later returned to its original status and has been so recognized by the proper authorities.

"Sec. 3. The fact that the legal existence of various school districts may be questioned creates an emergency and an imperative public necessity that the constitutional rule, requiring bills to be read on three several days in each house, be suspended, and said rule is hereby suspended, and that this Act shall take effect and be in force from and after its passage, and it is so enacted."

Mr. Moffett offered the following amendment to the committee amendment:

Amend committee amendment to House Bill No. 320 by adding to the end of Section 1 an additional paragraph, to read as follows:

"Provided, however, that no action or resolution purporting to transfer any territory from one district to another district, without an affirmative vote of the voters of the districts af-

fect, shall be validated by the passage of this Act."

MOFFETT,
JONES of Atascosa,
LANNING,
HEAD.

The amendment was adopted.

HOUSE BILL NO. 729 ON SECOND READING

The Speaker laid before the House, on its second reading and passage to engrossment,

H. B. No. 729, A bill to be entitled "An Act declaring it to be a misdemeanor for any person, with intent to defraud, to make, draw, utter, or deliver any check, draft, or order for the payment of money, knowing at the time of such making, drawing, uttering, or delivering such check, draft, or order that the maker or drawer has not sufficient funds in or credit with the drawee for the payment of such check, draft, or order, in full, upon its presentation, etc., and declaring an emergency."

The bill was read second time.

Mr. Latham offered the following committee amendment to the bill:

Amend House Bill No. 729 by striking out all below the enacting clause and substituting the following:

Section 1. Article 1546, Penal Code, 1925, is hereby amended so as to read hereafter as follows:

"Article 1546. Within the meaning of the term 'Swindling' are included the following wrongful acts:

"1. The exchange of property upon the false pretense that the party is the owner or has the right to dispose of the property given in exchange.

"2. The purchase of property upon the faith and credit of some other person upon the false pretense that such other has given the accused the right to use his name in making the acquisition.

"3. The obtaining by false pretense the possession of any instrument of writing, certificate, field notes or other paper relating to lands, the property of another, with the intent that thereby the property owner shall be defeated of a valuable right in such lands.

"4. The making, drawing, uttering, or delivering with intent to defraud, by any person of any check, draft, or order for the payment of money, either in his own behalf or in behalf of any person, firm, or corporation in which he is interested or for whom he is acting, upon any bank, trust company, or other depository, knowing at the time of such making, drawing, uttering, or delivering that the maker, or drawer, has not sufficient funds in, or credit with, such bank, trust company, or other depository for the payment of such check, draft, or order, in full, upon its presentation; and provided further, that in any prosecution under this Act as against the maker or drawer thereof, the making, drawing, uttering, or delivering of a check, draft or order, payment of which is refused by the drawee because of lack of funds or credit, shall be prima facie evidence of intent to defraud and of knowledge of insufficient funds in, or credit with, such bank or other depository, provided such maker or drawer shall not have paid the holder thereof the amount due thereon, together with all costs and protest fees within five (5) days after receiving written notice that such check, draft, or order has not been paid by the drawee.

"4-a. The word 'credit' as used herein shall be construed to mean an arrangement or understanding with any bank, trust company, or depository for the payment of such check, draft, or order.

"5. The special enumeration of cases of swindling above set forth shall not be understood to exclude any case which by fair construction of language comes within the meaning of the preceding article.

"6. This Act shall be cumulative of all other laws on this subject and should any section or provision be de-

clared unconstitutional such decision shall not affect any of the remaining provisions of this Act."

Sec. 2. The fact that the present law with reference to the making, giving, and passing of checks when there are insufficient funds in the hands of the drawee for payment of same is wholly inadequate to support prosecutions for violations thereof and has resulted in substantial losses to many business pursuits in this State creates an emergency and an imperative public necessity that the constitutional rule, requiring bills to be read on three several days in each house, be suspended, and the same is hereby suspended, and this Act shall be in full force and effect from and after its passage, and it is so enacted.

The amendment was adopted.

Mr. Gibson offered the following amendment to the bill:

Amend House Bill No. 729 by striking out all above the enacting clause and inserting in lieu thereof the following:

"A BILL

To Be Entitled

An Act to amend Article 1546, Revised Penal Code, 1925, defining specific acts constituting swindling; prescribing facts constituting prima facie evidence of violation of said Act; providing that said Act shall be cumulative of all other laws on this subject; declaring the rule in event any provision of this Act is declared unconstitutional or invalid, and declaring an emergency."

The amendment was adopted.

House Bill No. 729 was then passed to engrossment.

HOUSE BILL NO. 729 ON THIRD READING

Mr. Latham moved that the constitutional rule, requiring bills to be read on three several days, be suspended, and that House Bill No. 729 be placed on its third reading and final passage.
